Project Title: Moon Landing Conspiracy Theory

I'd like to build a multiple page site with buttons that lead you through the pages. I would like to explain the Moon Landing Conspiracy Theory.

-Home page/intro- introduce the basic idea that there is a moon landing conspiracy theory, explain the origins

-Different pages of the different claims behind the conspiracy

- photographic and film oddities

- environment

- mechanical issues

- transmissions

-sources

(Wikipedia page, images, etc.)
